SOCIAL WORK ACTIVITY & REFERRAL MODULE

Need a way to track Social Worker tasks? Use this tool to track Teacher Concerns, Social Worker Referrals, Case Notes, Activity, Group Work, etc. From individual interactions to group sessions, track your minutes, students attending, activities offered and provided. Easily monitor a student's social worker data with a Student Overview dashboard. And... all of this rolls up for State Reporting without a need for additional logging and manual calculations prior to Student Record! Contact us today to schedule a demo.
