

MTSS

MULTI-TIER SUPPORT SYSTEM TOOL

MTSS is an intuitive software solution designed to help schools track and manage information within Infinite Campus for students who have been identified as needing MTSS support.

MTSS allows schools to efficiently monitor and document the progress of students receiving various tiers of support. From academic interventions to behavioral strategies, every detail is captured and easily accessible.

Monitor student interventions and progress with ease with MTSS.

Benefits

- Fully integrated with Infinite Campus
- User-friendly interface
- Collaboration made easy
- Customizable settings and options

Features

MTSS Dashboard

Used to initiate an MTSS entry for a student. Add customizable domains and interventions with ease. Track student progress, update student tiers at any time, record meetings, and more.

Staff Dashboard

This view allows staff to easily view students to access MTSS details, domains, and monitor progress.

Intervention Dashboard

A list of all interventions by student. This list can be filtered to find necessary information.

MTSS Blitz

Enter domain notes, interventions, or progress monitoring for multiple students at once.

Reports

The screenshot displays the MTSS interface for a student named Abbott, Noah Taylor. The interface includes a navigation sidebar, a top menu with tabs for Math (1), Reading (2), Behavior (3), and Social (2). The main content area is divided into several sections:

- Interventions:** Shows a table with details for 'Math Intervention 1', including start and end dates, provided by, and frequency.
- Progress Monitoring:** Features a line graph for 'Math Intervention 1: PM Math 1' showing scores over time (06/13/2024, 06/13/2024, 06/13/2024) with a legend for Scores, Baseline (0), and Benchmark (0).
- Domain Notes:** A table listing notes with columns for Name/Date and Comment.
